

```
std::vector< std::pair  
< const Key, T >, std  
::allocator<std::pair<const  
Key, T>> >
```

```
ordered_map< Key, T,  
IgnoredLess, Allocator >
```

A blue arrow points from the ordered_map box on the right to the vector box on the left, indicating that the vector contains elements of the type defined by the ordered_map.
